

Person Centred Planning Principles

- People with disabilities should be able to live like everybody else.
- See the whole person
- Individualization
- Natural Engagement
- Start where you are and use what you have
- Workers must be helpers
- Personal Commitment
- Responsive Organizations
- Bring back the family
- Members of the community must get involved
- Real friendships are in the community

Student Generated Principles

- Person First * Respect
- Don't assume I am unable to do something
- Give me real choices and follow through
- Don't do for someone what they can do for themselves
- People offering support should be present
- Transparency, openness, honesty
- People are worth it
- Don't do to others what we wouldn't want done to us
- Don't take it for granted
- WYHSH (What you hear here stays here)
- TMTT (Tell me the truth)
- NB (No Bulls—t)
